Directions:

- Schedule your **AvX Month Six** event in the **WizKids Event System (WES)**.
- The suggested format for the Month Six Event is a \$9.90 Standard Semi-constructed event. Each player brings 4 character cards, each with 3 dice. Players also bring basic action cards, basic action dice, and some means of tracking their life. They then buy \$9.90 worth of packs at the tournament (10 packs).
- Using their 12 dice they brought and the 10 packs they purchased, players assemble teams with 8 cards, 20 dice, and 20 life. They are not required to use all the dice they brought with them and can play with fewer than 20.
- Players then play a Swiss style tournament. Each round is best of 3 match with a 45 minute time limit.
- Upon completion of the event, add up the **Event Point** totals for each player (see next page). Make sure to save this sheet in order to determine the overall winner at the end of Month 6.
- The **Takedown** Basic Action Card is a Participation Prize to be awarded upon completion of the event to each player. There are 10 Basic Action Cards to be handed out to players. If there are less than 10 people in the event, the Judge should be given the **Takedown** Basic Action Card.
- The **Cyclops, Phoenix Force** Limited Edition Cards are to be awarded to First, Second, and Fellowship players.
- The **Phoenix Force, Force of Nature** Limited Edition Cards and Dice are to be awarded to the two players with the most **Event Points** across all six months and the Fellowship player.
- Report your completed **AvX Month Six** event in the **WES**.
